Subject: Mozilla defendants production

Alex,

On March 17, you told us that Mozilla Corp, Laura Chambers, Dani Chehak, and Mitchell Baker would begin a *rolling* production on April 11. On March 27, the Court denied a continuance of the case schedule dates. Today you declined to adjust the expert disclosure dates. The discovery cutoff is June 9. Defendants have had most of our discovery requests for **nine months**. We have received only one hundred of documents to date. Under the circumstances, we insist that Defendants begin their rolling production immediately. Please confirm that we will begin receiving documents this week, and provide the date by which you anticipate completing production.

Mr. Teixeira will begin rolling production this week.

Sincerely,

Amy K. Alexander
